

**YOU ARE NOT WHAT YOU
ARE BUT WHAT YOU ARE
NOT IS NOT WHAT YOU ARE**

A FEVERDREAM?

BY QUINN B. RODRIGUEZ

SAFETY

your mental health and well-being is infinitely more important than any game.

take care of yourself
first and foremost.

be mindful of your own
headspace before beginning.

TO PLAY YOU WILL NEED

a mirror
lipstick

LOOK INTO THE MIRROR.

admire
yourself

.

try to do so objectively, for
what is it but just another face?
it may sit upon your skull, but does
that make it yours?

ON THE MIRROR,,

circle
your
favorite
feature
using
the
lipstick.

do not overthink this.

WRITE A WORD

another
has
used to
describ
e you.

do you agree with the word? do you
identify with the word? was the
person truly seeing you when they
used this word?

FILL THE MIRROR

with
such
words.

are they true of you at all times?
sometimes? ever?
or were they reflections of a you
that you yourself are not, a
projected you?

SMILE

out the
words
you do
not feel
are
truly
you.

circle another favorite facial feature.

WRITE OUT WORDS

you
have
used to
describe
yourself
, now.

are these words true of who you are
in this moment, this strange face
performing this obtuse ritual?
are they pleasant lies you tell
yourself? how do they make you
feel?

S M E A R

out the
words
you do
not feel
are
truly
you.

circle the words you believe in.

DRAW A MAP

of your
circled
words
and
feature
s.

DRAW

until
the face
in the
mirror
is not a
face.

**DRAW UNTIL WHAT YOU
SEE IN THE MIRROR IS**

YOU:

**ARE NEITHER MONSTER
NOR HUMAN**

ARE SOMETHING ELSE

ARE BECOMING..

REVEL IN IT.
